

## MYOB recognises Axsys with Advanced Partner of the Year Award

**Sydney, Australia – for immediate release:** Announced at the High Achievers awards ceremony at the United for Growth 2017 Enterprise Partner Conference recently, Axsys has been recognised with the [MYOB](#) Advanced Partner of The Year Award.

The award celebrates the Partner with the most MYOB Advanced Business sales for the year in Australia. MYOB Advanced has exceeded market expectation across the Australia and New Zealand market and is now positioned as the fastest growing cloud ERP solution for the mid-market.

Carolyn Luey, GM Enterprise Solutions, praised the organisation by saying “MYOB Advanced Business has stormed the market since launch, and we’re absolutely thrilled. We couldn’t have done this without the stellar work and commitment to growth by Axsys”

Jason Ransley, Managing Director, responded by saying “Axsys is delighted to again win an Australian MYOB Enterprise Solutions Partner of the Year award. 2016 was a huge focus on ramping up and delivering on our MYOB Advanced go to market strategy, so to achieve Partner of the year for MYOB Advanced in our first year of this is fantastic. Having access to an innovative cloud SaaS product such as MYOB Advanced just makes our job that much easier. We look forward to working with the team at MYOB in 2017 as we all continue to redefine the ERP space.”

With over 20 years’ experience in successfully delivering software solutions to leading organisations in both government and private sectors, Axsys is one of Australia’s leading and most experienced and trusted MYOB Enterprise solutions providers with offices in Melbourne, Adelaide and Hobart.
